SIR,

Referring to your letter No. R 5186/ Ft 75-13-9 dated the 9th instant, I have the honour to state that time till June next was asked for in order to enable me to thoroughly test the capacity and fitness of each of the candidates now under training and to select the two best of them for deputation to the Coimbatore College. But as the Government insist upon my proposals being submitted immediately, I beg to propose the names of Foresters Gulam Rasul and S. Krishnaiengar as likely to make the most suitable candidates according to my present knowledge of them. Should, however, either of them do not come up to my expectation at the time of deputation, I would propose the name of Forester K.S. Raghavachar as an alternative candidate. Both the candidates are — Matriculates and of these, Forester S. Krishnaiengar is eligible for admission to the College under Rule 14, Clause 3 of the College Rules as he will have completed

two years of service by 30th June 1914 and will be under thirty years of age on 1st April 1914, having just completed his ~~twenty~~ ^{twenty} ninth year of age. The other two candidates are eligible for admission under Rule 13, since both of them are under twenty five years of age and as Foresters will have undergone the preliminary training of not less than six months by 30th June next. After these nominations are approved by Government, the candidates will be directed to produce the certificates required by the College rules.

Copy of letter G.No. 362 of 1913 dated 20th February 1914 from the Principal, Madras Forest College, --- Coimbatore, to the Conservator of Forests in Mysore.

With reference to your No. 6002 dated 11th December 1913, I have the honour to invite perusal of my letter G.No. 362 of 13 dated 8th July 1913 in which I pointed out the necessity of paying the State Students a separate travelling allowance. The sum of Rs 35/- per month now sanctioned as salary and Travelling Allowance is inadequate. As you will see from the syllabus, the tours of the College extend to Malabar, Tinnevely, --- Chittoor, Cuddapah, Kurnool and Ganjam, and I am sure you will realise that it is not possible for the students to live and travel on the stipend of Rs 35/- per mensem --- allotted them. I most strongly recommend that you will obtain sanction for the payment of Mysore Students of travelling allowance on the scale of First Grade Deputy Rangers in Government Service. This is the minimum which I consider necessary.
